DR. ROBERTS WILL HEAD SESSION

Vol. XXIV, No. 11 March 8, 1937 Monday

## State Colleges Award Bachelor of Ed. Degree

### Graduates of Teacher or Normal Schools Eligible

On January 7, 1937, the California State Board of Education adopted a resolution which authorizes the California State colleges to grant the Bachelor of Education degree.

Two classes of teachers are eligible for candidacy for this degree. First: The graduates of the 2-year, 2½-year, or 3-year curricula of the California state colleges when these institutions were normal schools, or teachers' colleges, who have had five or more years of successful teaching experience; and second, holders of California life diplomas, or those who have taught five or more years in the public schools

The degree will be granted upon the successful completion of 124 semester hours of college or university work or the equivalent. Of this total requirement at least 106 semester hours of work shall be completed in regular campus classes, extension classes, or in correspondence courses under college or university direction. Anyone desiring to apply for candidacy for this degree should write to the registrar of one of the seven State Colleges in California for an application.

## Course Charges

1. Fees and charges for six-week session are as follows:
   - Registration fee ..... $20.00
   - College activities and student service fees ..... 1.00
   - Library fee ..... 1.00
   - Total charge ..... $22.00
2. Fees and charges for either three-week session or the tentative post session are as follows:
   - Registration fee ..... $15.00
   - College activities and student service fees ..... .50
   - Library fee ..... 1.00
   - Total charge ..... $16.50
3. Those registering for first three weeks, who desire to take the second three-week course, will again pay the regular three-week charge of $16.50.
4. Fee for two-week session ..... $10.00
   - Library fee ..... 1.00
   - Total charge ..... $11.00
5. Registration fee for one-week conference ..... $ 5.00

Note: All of the above fees are payable on the registration day of the specified session. Course charges will be collected later than the fees mentioned above.

Dates for payment of course charges:

**First three-week session: Monday, June 28.**
**Six-week session: Tuesday, July 6.**
**Second three-week session: Monday, July 19.**

## Visiting Faculty For Summer Session Given

Included among the persons invited to offer instruction at the College during the 1937 summer session are the names of Leo Baisden, Assistant Superintendent of Schools, at Sacramento; Dr. Charles Bursch, Chief of the Division of Schoolhouse planning of the State Department of Education, and Dr. Evelyn A. Clement, Chief Division of Teacher Training.

The complete visiting faculty list is as follows:

Mr. Leo Baisden, Asst.
Dr. Charles Bursch, Chief.
Dr. Evelyn A. Clement, Chief.
Mr. Charles Dennis, Director of Music, S. F. Public Schools.
Miss Maren Elwood.
Mrs. Elizabeth Farmer.
Mr. Arthur Garbett, of the National Broadcasting Co.
Mrs. Mabel Gifford.
Mrs. Eva Gildea, Rural Supervisor, Contra Costa County.
Dr. Adele Grant.
Mr. John Gutman.
Mr. George H. Huntting, State College, Fresno.
Miss Bessie Kinney.
Mr. Alfred Lentz, Department of Education.
Miss Lilla McKenzie.
Mr. Walter Murray, Sacramento Junior College.
Dr. Robert J. Parker, S. F.
Mrs. Mabel S. Spizzy, General Supervisor of Schools.
Miss Helen Thomas, Rural Supervisor, Imperial County.
Miss Lorraine Walsh.
Mrs. Jessie Williams, Chico
Dr. Joseph Williams, San Francisco Junior College.
Miss Marian Turner, Presidio Open Air School.

## Registrar's Notes

Programs for each student now enrolled in college must be approved by his counsellor.

* * *

Registration will take place all day Saturday, June 19, and Monday, June 21, in Anderson Hall.

* * *

Students must register, pay fees, and file programs all on the same day.

* * *

Advice and Council will be held Saturday, June 19.

Classes will start Monday, June 21.

* * *

Lower division students are fortunate this year to have numerous courses devoted to them.

## Dr. Alexander C. Roberts

## Lower Division Courses Given

For the first time in the history of State College, there will be offered at summer session this year, lower division courses which are desirable and necessary for students wishing to work off requirements in certain subjects.

The courses to be offered are as follows: Psych. 1, and Psych. 117; English 3, 22, 52; Math. 1, 31; Music 2, 11, 14, 16, 35, 36, 38, 53; Physical Education, 6-A, 10-A, 11-A, 13-A, 14-A, 15-A, 20-A, 31-B, 86-B, and 93.

### STUDENTS ALLOWED THREE OR SIX WEEK SESSIONS

Following the usual custom, students at this year's summer session will again be allowed to register for either one or two three-week sessions or one six-week session. In other words, some of the classes will begin on the first week and end with the third week, and others will start on the fourth week and conclude on the sixth week. Also classes can be taken for the duration of the whole session.

Following the regular summer session, there will be an additional four-week post session. Four units can be carried during this time, and coupled with the six units which can be taken at the regular session, will permit students to complete ten units during the summer.

## Courses Given In New Session

Among the innovations planned for the coming summer school, is what will be known as the Post Session. There will be 3 weeks of class sessions with 75-minute class periods held 6 days a week, and 4 credits of work may be secured. "This idea has been followed at San Diego State College for several years with much success, and it will no doubt be seized upon by many students, both resident and non-resident, as an opportunity to capture needed units, or to secure instruction in certain valuable unusual courses," commented Dean Valentine, when discussing the Post Session.

There will be 23 different courses offered, and resident students seeking summer credit may, by attending both sessions, secure 10 units toward their degree.

There will be 12 faculty members present, with Dean Valentine acting as President Director of the Post Session. He will also teach one course.

Courses available in the Post Session may be ascertained by securing a list from the registrar or consulting Dean Valentine.

### GRADUATES NOTICE

Students who are completing work for graduation at the close of Summer Session should file a formal application with the Registrar at the time of filing Summer Session program.

## Summer Session Teaching Staff Will Be Large

### Post Session Offered This Year for First Time Roberts Reveals

"This year's Summer Session will have the largest number of courses, the largest staff, and the most outstanding faculty in its history," said Dr. Roberts in outlining the program which will feature the forthcoming session.

There will be courses never before offered together with augmented older ones. Regular music studio instructors will be available for summer session students. There will also be one of the most complete demonstration schools in the west covering every problem of elementary school curricula from the kindergarten to the eighth grade.

**Post Session**

A Post Session to take place after the regular Summer Session and offering 23 courses in academic or professional fields will be the first of its kind ever offered at the College.

This year will be the first that the Bachelor of Education degree has been authorized by the State Board of Education for experienced teachers attending the session.

**Symposium By Brown**

One of the main features will be six one-week symposiums chairmaned by Dr. Sherman L. Brown, which will feature some of the foremost educators in the nation on six different problems facing education today. Students enrolling in this symposium for credit can earn their entire six units in this course alone.

**Curricular Lectures**

At eleven o'clock every day of the session, lectures on every phase of elementary curricular problems will be open to all students enrolled in the session. Students may take these lectures for credit or may audit them if they wish.

Every Monday at 4 o'clock the psychology department will sponsor an hour of Forum discussion on Philosophy.

The Associated Students will sponsor dramas, teas, parties, trips, games, gym play hours, and other features every Wednesday, Thursday and Friday afternoon at 4 o'clock.

### CONFERENCES HELD

A feature of the summer session will be the annual conferences held on a different subject each week. The opening week will be given over to a discussion of Handicapped Children (June 21-25).

# Mrs. Stephenson Chosen Dean Of Summer Session; Plans

With Mrs. Stephenson, head of the Women's P.E. department, as the Dean of Women for Summer Session, this year the students are certain of an extensive social program. Mrs. Elizabeth Farmer will work with her as Director of Recreational activities.

Every Wednesday and Thursday at four o'clock teas, receptions, concerts, or trips to places of interest will be scheduled. Dramas and recitals are planned for Friday afternoons and evenings. This program will be organized by student committees with the aid of various faculty members. The session faculty will receive letters asking them to contribute ideas for the enrichment of the social program.

Opportunities for participation in sports and recreational activities will be offered to all the students at 11 o'clock on each day. This hour will permit ping-pong, badminton, paddle tennis, horse shoes, deck tennis, shuffle board, darts, and volley ball. The Women's Athletic Association and the Block "S" Society are sponsoring these activities.

Teas have been planned for groups from sections of California. One of the outstanding events of the session will be the annual Alumni Homecoming week for all former State students. Early in the session a reception for the Summer faculty and students will be given in order to have the visiting instructors and students meet.

On and after April 15 a mimeographed folder stating the important dates, time, and places of important social activities will be obtained from the office of the registrar. Additional affairs will be added depending upon the interest shown by the student groups.

Mrs. Stephenson will need the assistance of three student committees: Hostess, Information, and Welfare. All students who are interested in any of these groups should make an application to her at once. Preliminary meetings will be held before the end of this semester in order to have time for complete planning.

# Dr. Brown Head Of Conferences

Beginning June 21st, Summer Session will be featured by a series of one-week conferences on different educational problems bringing as lecturers and speakers some of the foremost authorities in the country on their respective topics. Dr. Sherman L. Brown, director of practice teaching, will chairman the symposium.

First will be the teaching of handicapped children in the elementary schools. Mental, physical, sight, hearing, and speech defects will be treated.

June 29 to July 3 the problems of School Buildings and Hygiene will be dealt with from various viewpoints by authorities on the field. July 5 to 9 will be utilized to deal with the legal rights and responsibilities of teachers, parents, and children under the California school law.

Humming right along

*All over the country, you hear more people mention the refreshing mildness and the pleasing taste and aroma of Chesterfield cigarettes.*

You hear somebody compliment Chesterfields at a party. Another time, the grocer tells you it's a darn good cigarette. Or you see a group of men on a street corner, most of 'em smoking Chesterfields.

*Because they have what smokers like, Chesterfields are humming right along..*

They Satisfy
